

EMAIL SUBJECT: JSCC Emergency Grant – SPRING 2022 term

EMAIL VERBIAGE:

Greetings from the Jackson State Financial Aid Office! This email is to notify you of a NEW federal emergency grant available for students enrolled in the **SPRING 2022** term.

The U.S. Department of Education (USDOE) released guidance related to HEERF emergency grant funding to higher education institutions to assist students with any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care.

Go to www.jsc.edu/spring22grant to apply for the grant! You will use your JSCC username and password to sign in.

HEERF funds are emergency grants and do not require repayment. **Awards will be first come, first served until funds are spent.** Pell Grant eligibility status is also considered to meet USDOE's requirement to prioritize students with exceptional need.

The SPRING 2022 application will remain open until funds are spent. Recipients should receive notification of awards by the first week of February.

If you have any questions, please email cares@jsc.edu.

Thank you,

JSCC Financial Aid Office
